About Us

With the aim to emerge as a market leader, we, Accurate Industrial Products, were established in the year 2008 as a Manufacturer, Supplier and Exporter of range of quality Insulation Materials, Electrical Insulation Materials and Industrial Products. Our products include Fiber Glass Insulation material, Insulating Flexible Composite, Insulating Paper, Electrical Insulating Paper, Insulating Film, Insulating Board, Insulating Tape, Electrical Grade Crepe Paper, Sleeving, etc. Our company is also a Service Provider offering Rewinding And Slitting Job work of BOPP Film, Laminated material, Polyester Film, Insulation Press Paper & Kraft Paper and Foil, Film & Label.

In this competitive market scenario, owing to the high quality of our Insulation Materials, Electrical Insulation Materials products, we have earned a respectable position in the market. The offered gamut is widely preferred for their qualitative features, for instance, our Insulating Tapes are known for their precise finish, non-combustible nature, flexibility and durability. On the other hand, our Fiber Glass Sheet is known for their extreme temperature resistant, availability in various colors and designs, precise designs and robustness. Being a quality conscious organization, we ensure not to compromise on the quality standards of our products. Be it procuring Insulation Materials quality raw material or performing the end process of quality checks, we perform them all with immense dedication. Under the sound leadership skills of our mentor, Mr. Abhay Trivedi (Proprietor), we are able to cater to a wide base of clients in the best possible manner. His outstanding business understanding coupled with his intelligent marketing skills and rich domain experience guides the company towards the path of success.
